# *Entertainer Data Analysis*
Wireframe

HomePage

As per the GIven Problem Statement, you have to mention a theme on which you will be creating the Dashboard.
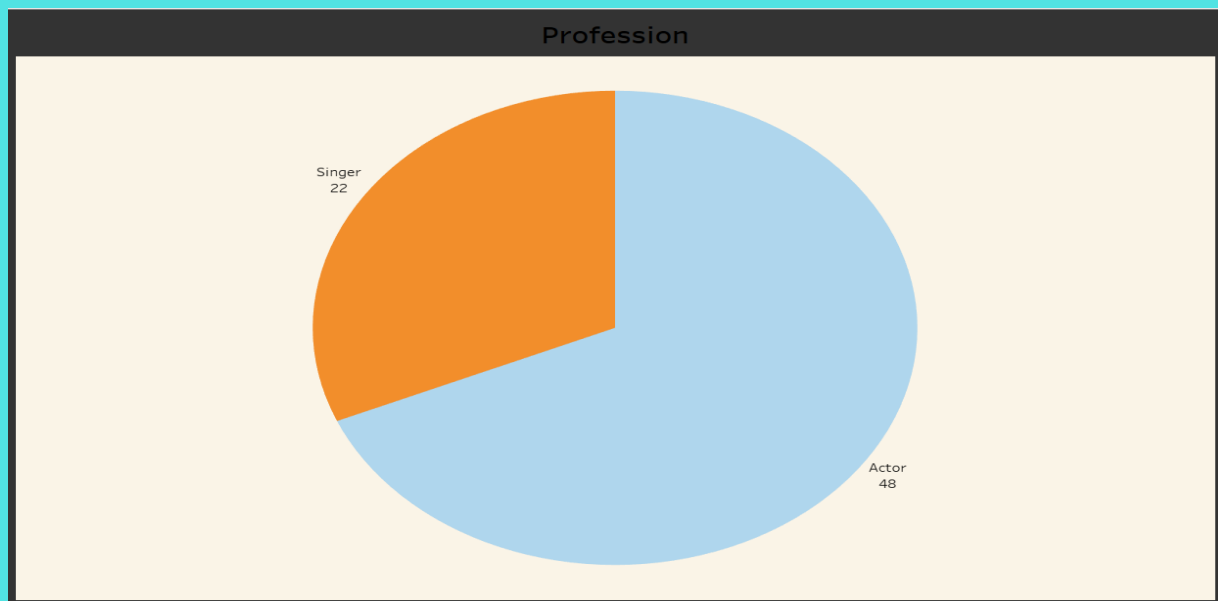

<u>Theme: Top Entertainer with with Most Awards</u>

Dashboard 1:

➜Top 15 Entertainers are shown in this dashboard.
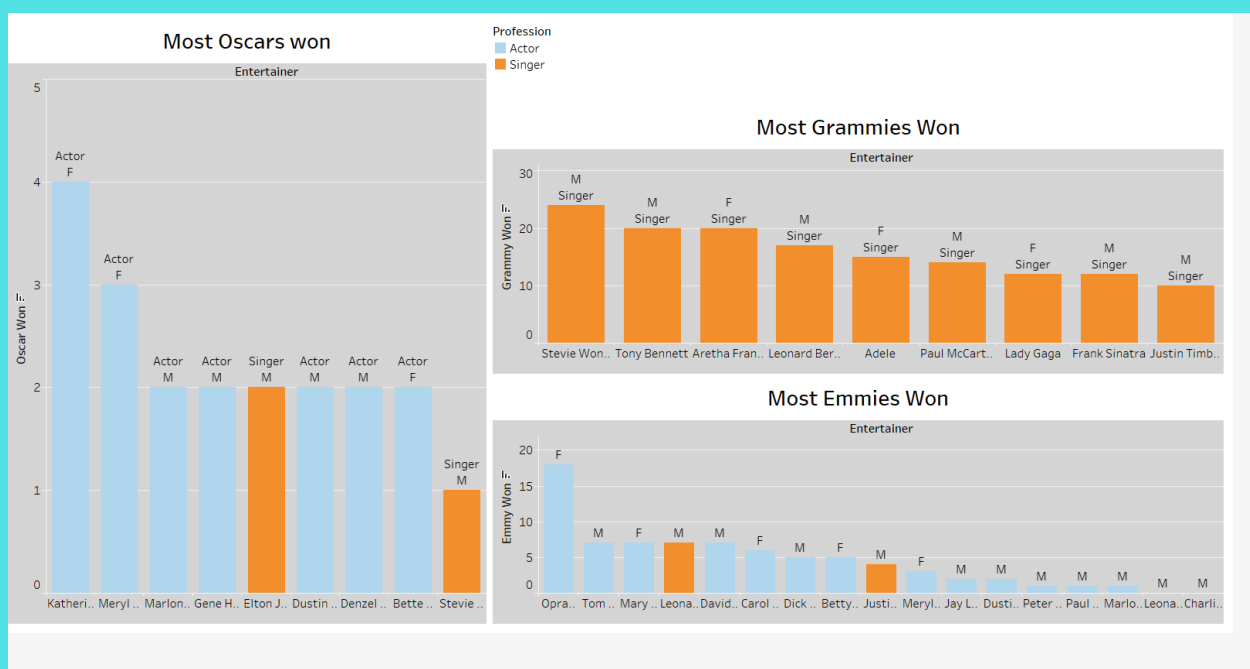

➜Lets see each chart carefully.

➜This pie charts show the ratio between Singer and Actors According to the data, Actors are more in this data whereas singers as less.

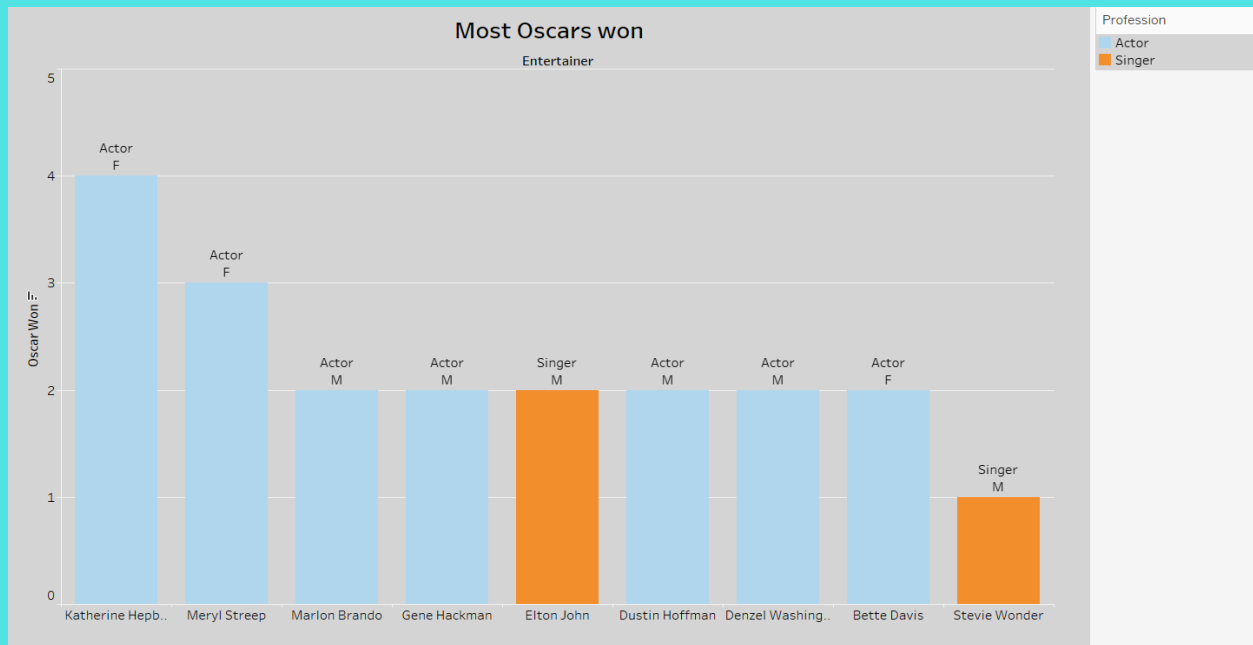

➜This stack bar shows the top nominees and awards achieved by entertainers. I kept top 15 entertainers for good visual aspects.The blue bar shows the number of nominees and the green bar shows the number of awards won by Entertainers.
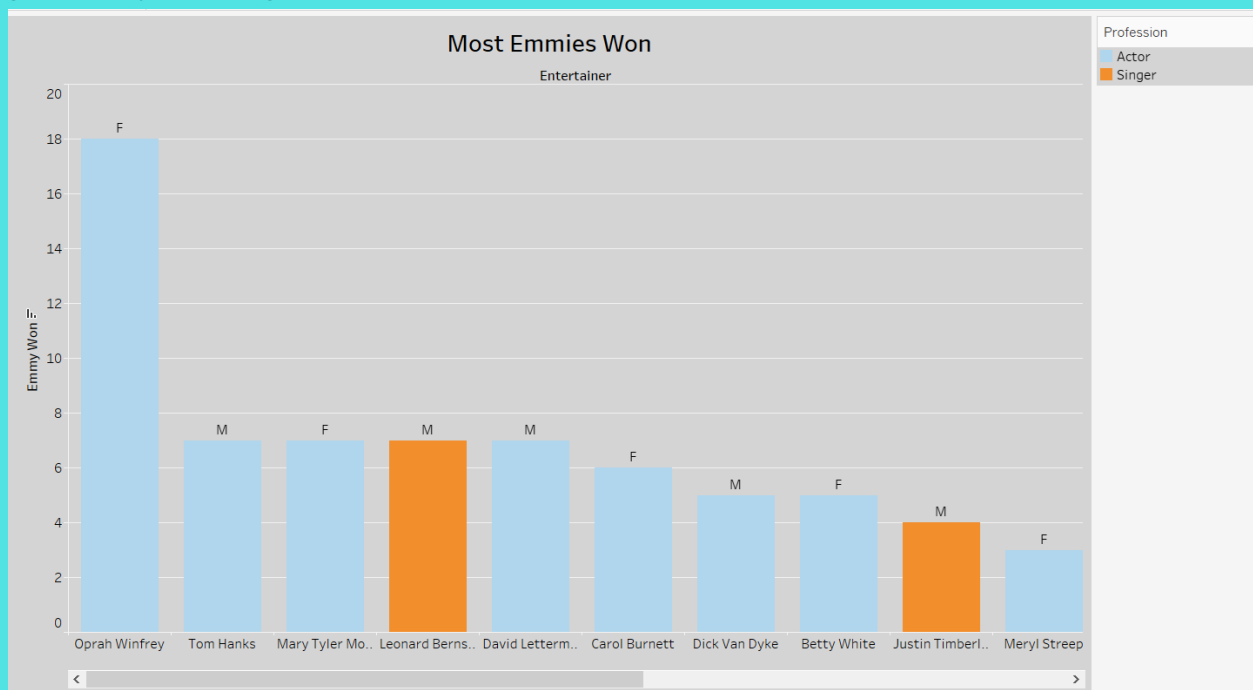

Dashboard 2:

➜In this Dashboard well see all the three awards on one page.
➜Lets see each chart carefully.

➜This chart shows the oscar winning Entertainers with the most number of times Winning the Oscar is not everyone's cup of tea. Here, Katherine Hepburn leads the tally with four Oscar. Oscar is given to the actors generally, Its is given to the pop stars, some excellent musicians as well.
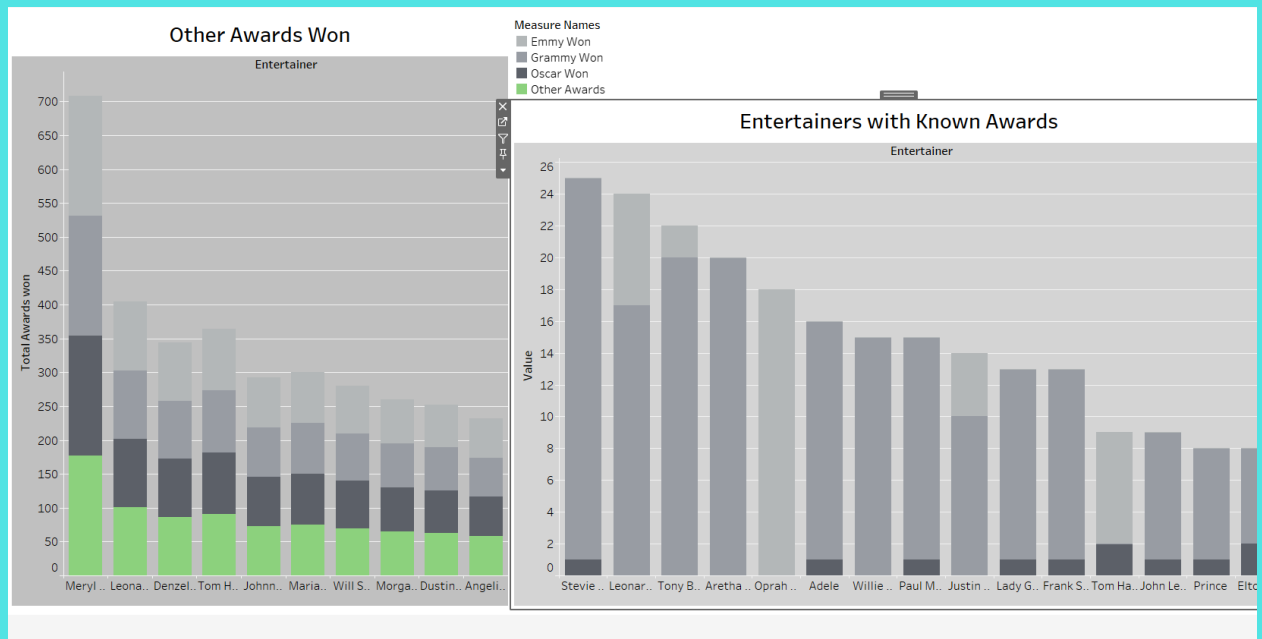

➜Emmy award is given to the best performance of TV industries. Hosts, TV actors, and pop stars are nominated for Emmy awards. Here, Oprah Winfery is leading with the highest number of Emmy awards (18).

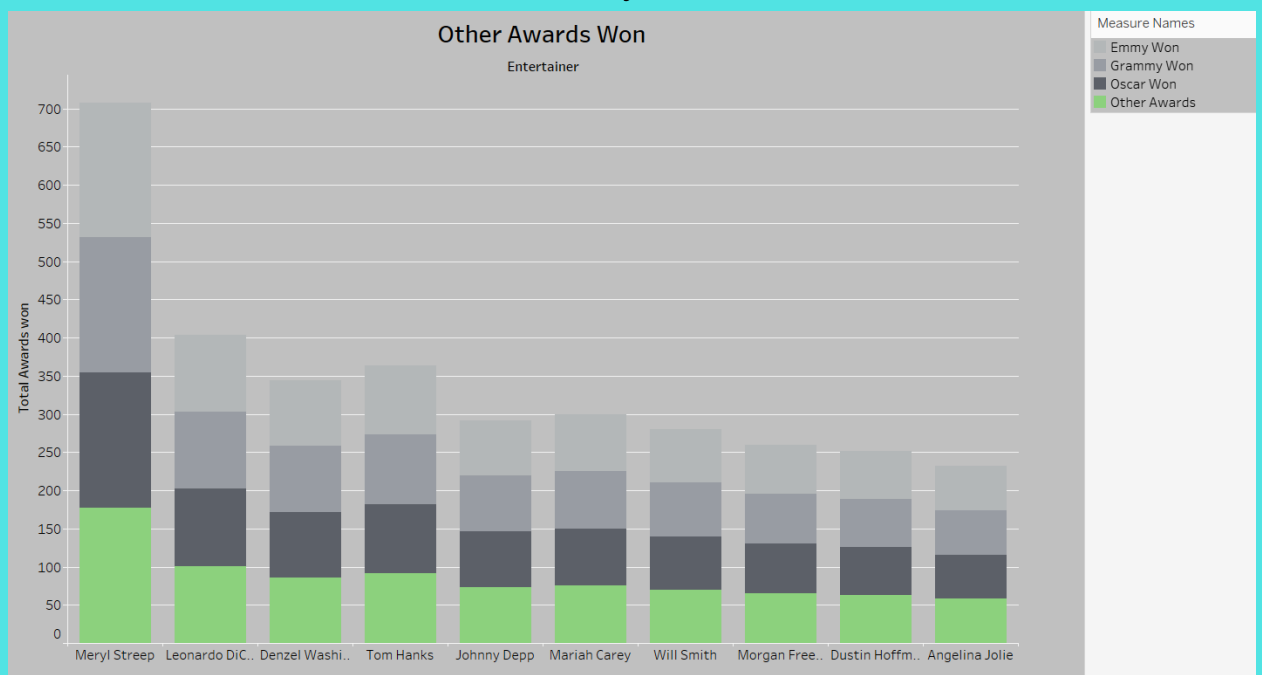

➜Grammy award is given for the excellent performance in music industry. It is given in different categories to the artist. Here, Stevie Wonder is leading with the highest Grammy awards (24).
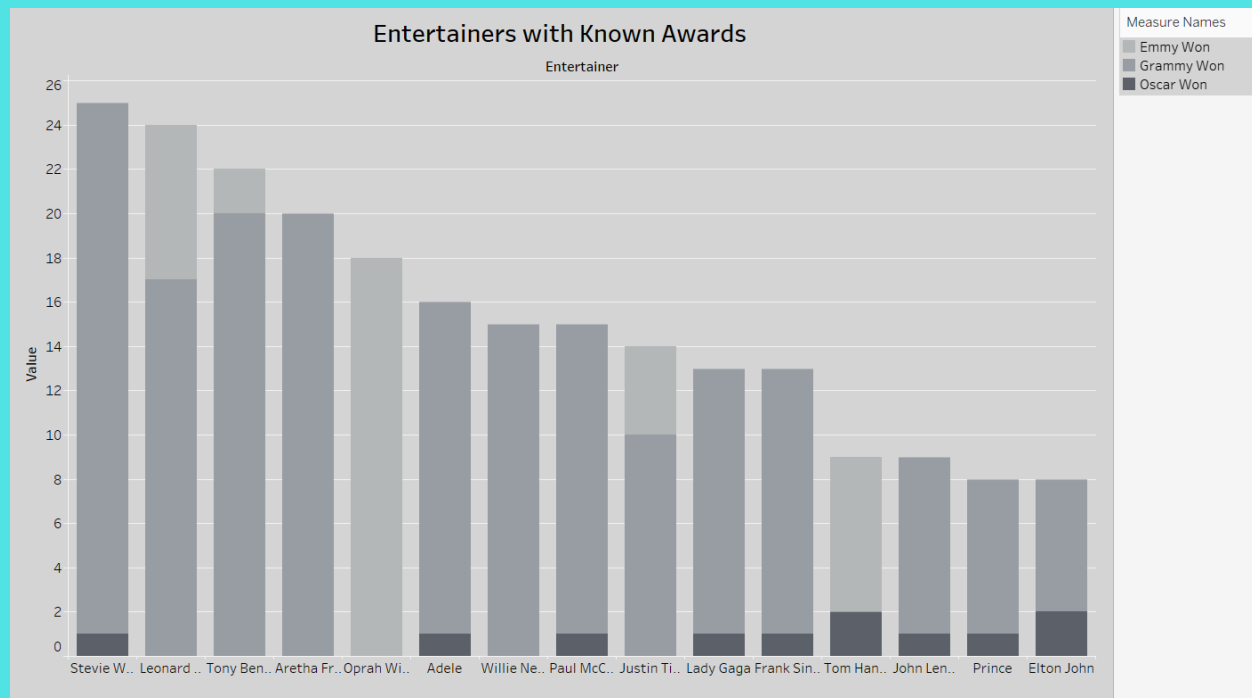

Dashboard 3:

➜This the third Dashboard includes Other awards won and Entertainers with Known Awards.

➜We will see this Dashboard carefully.9

➜This chart shows all about the total number of other awards winning including these awards (i.e Oscar, Emmy and Grammy). Here the green bar shows the number of other awards, dark gray shows the oscar award won by the Entertainer,Gray shows the number of Emmy awards won by the Entertainer,Light gray shows the number of Emmy awards won by the Entertainers.

➜This chart shows the bars of number of known awards (i.e. Oscar, Emmy , Grammy) won by the Entertainers.
